LESSON 1

KidPix - A kid friendly art program

KidPix is a drawing tool where you can draw, paint, type, add pictures, sounds, stickers, stamps, and animations. Making slide shows and art works has never been this cool and easy.

LOADING AND CLOSING KidPix

Activity 1

KIDPIX needs to be loaded in your computer in order to do your painting activities. Follow the steps on how to load or run the program.

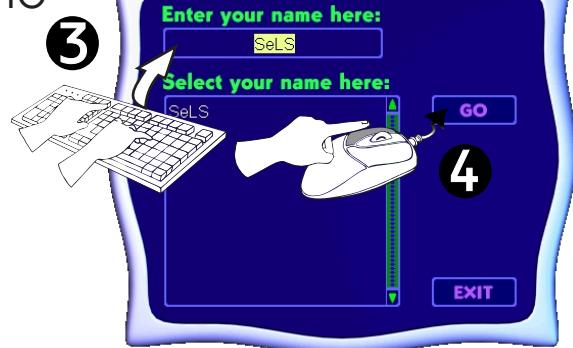

Step 1. Make sure that your Windows program has been loaded or activated.

Step 2. Double-click the Kidpix icon from your desktop.

Step 3. Wait until the login screen appears. Type-in your name to log in. Make sure not to change or forget your log-in name since you will be using it in the next activities.

Step 4. Click Go button.

The screen should look like the picture on the right.

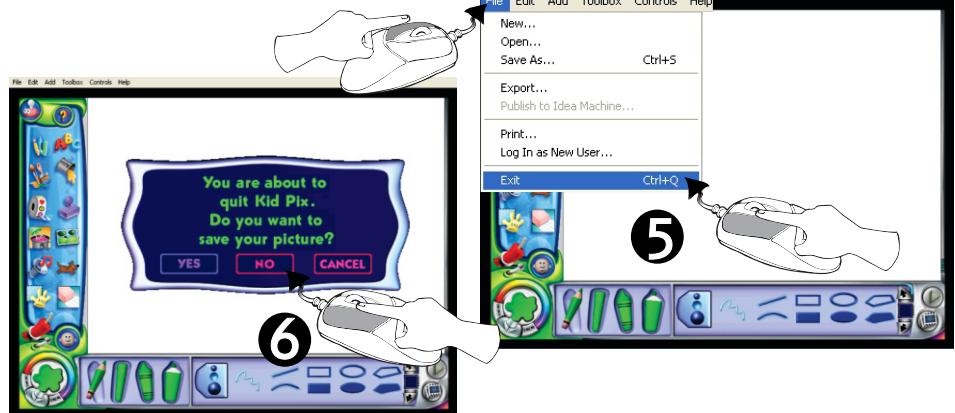

Now let's try to close KidPix.

Step 5. Click on the File Menu then select and click Exit

5

Step 6. Click Yes.

OPENING AND SAVING an activity file

Activity 2

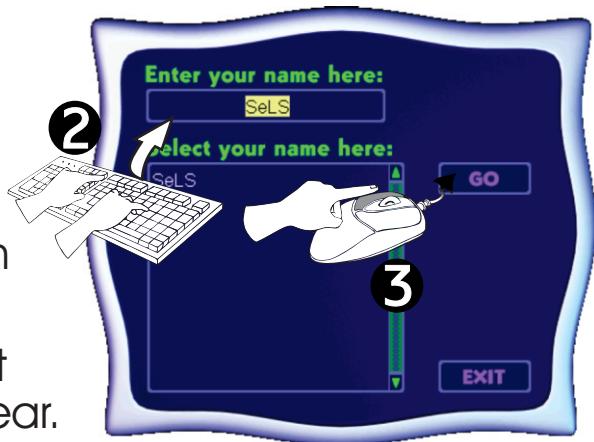

Most of the activities in your book are already made for you to answer. To complete each activity you need to open and answer it. Then save it to your own folder if it is done. To do this, follow the steps below on how to open and save your Kidpix activities.

OPENING an activity file

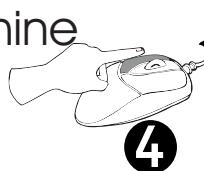

Step 1. Double-click the KidPix icon from your desktop.

Step 2. Wait until the login screen appears then type your login name.

Step 3. Click the Go button and wait until the KidPix canvass appear.

Step 4. Click the Idea Machine button.

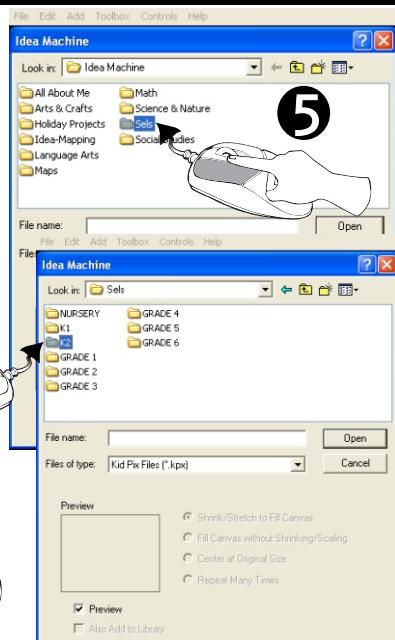

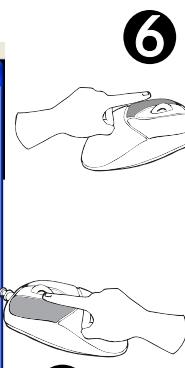

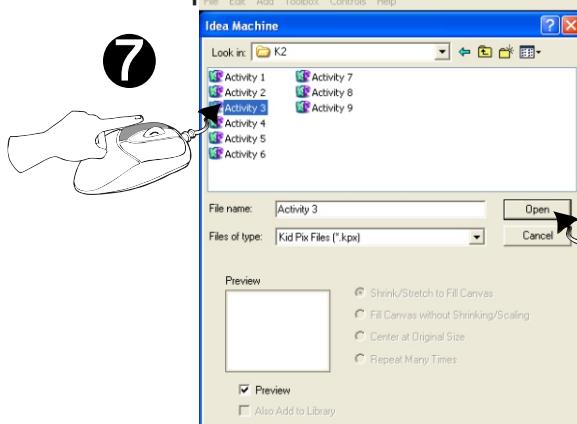

Step 5. Double-click on SeLS folder.

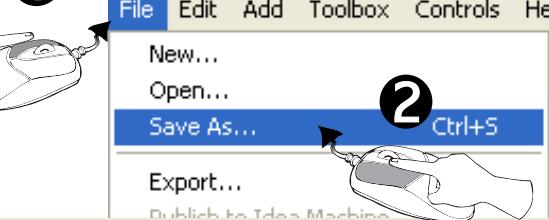

Step 6. Double-click K2 folder.

Step 7. Click on the activity that you want to answer.

Step 8. Click Open.

1

SAVING an activity file

Activity 3

Step 1. Click File.

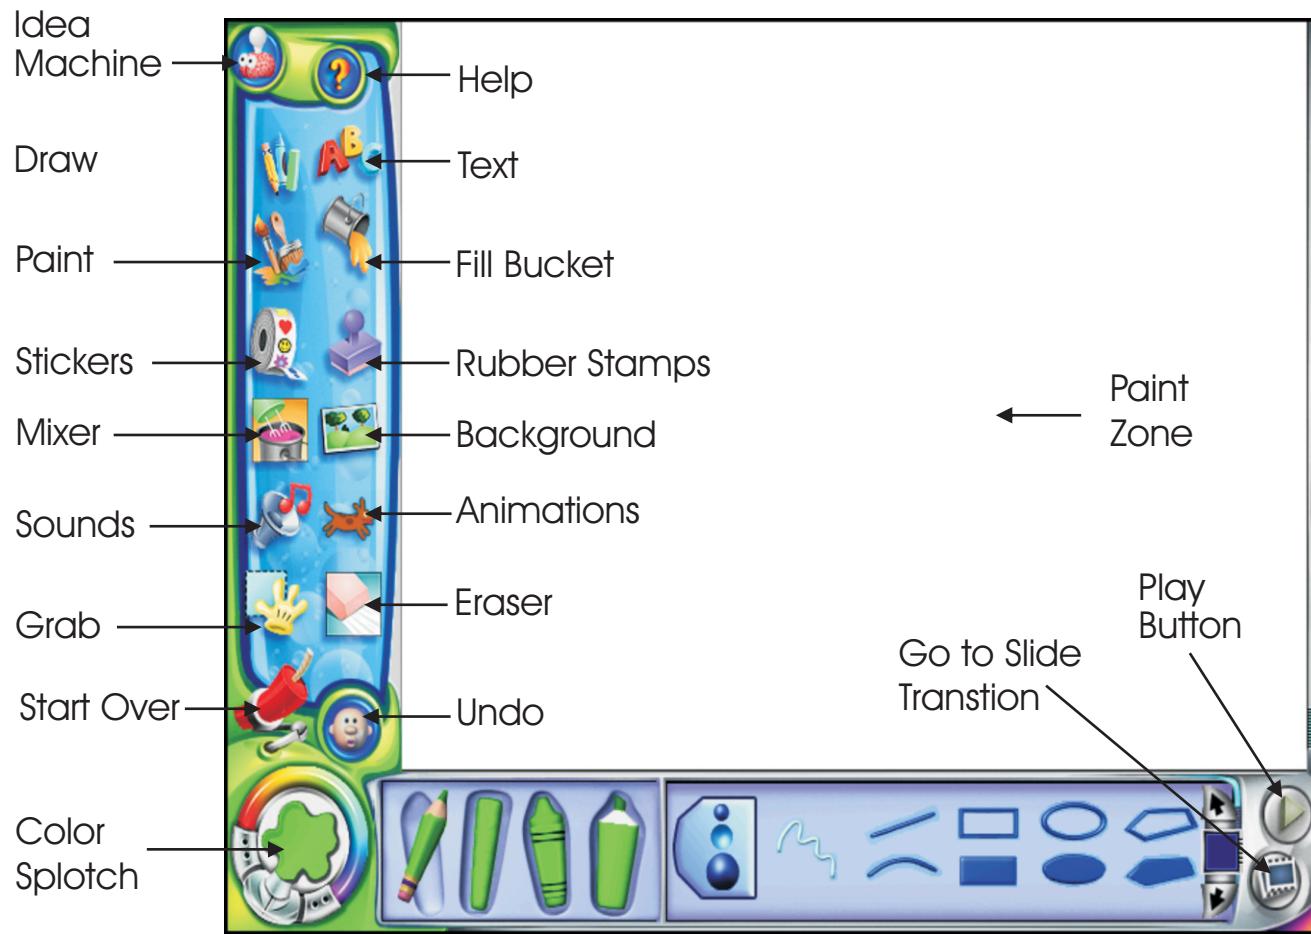

Step 2. Click Save As.

Step 3. Click Save.

Cool Tools

Activity 5

Hands-on Activity

Arrange the tools with its name in alphabetical order.
Use the Grab tool to answer the activity.

Preview

The image shows a cartoon boy interacting with a large vertical tablet. The tablet screen displays a collection of digital tools arranged in a grid. The tools are labeled as follows:

Grab	Scissors	Draw	Paste	Text
Fill Bucket	Paint	Color Swatch	Draw	
Mixer	Background	Animation		

A bottom toolbar contains icons for drawing tools like pens and shapes.

Prayerful Child

Activity 6

Hands-on Activity

Valuing Activity

Color the picture that shows a prayerful child. Use Kidpix to complete the activity.
